

# Technical Data Sheet:

## #PG-410

### Kraft Brown Paper (Laminating Paper)

PG-410 is a kraft brown paper (also called a laminating paper). Common applications for PG-410 include: wrapping gifts, decorating for an event, wrapping food, arts and crafts projects, home and office, wall art, bulletin boards, and other general signage. PG-410 is also very useful when laminating to avoid adhesive transfer to machine/rollers.
