

Technical Data Sheet:

#PG-910

6.0mil Matte White Calendered Vinyl with Permanent Adhesive

PG-910 is a 6.0 mil matte white calendered vinyl with clear permanent adhesive and an anti-glare finish. PG-910 is best for any mounted application where tight curves and clean cutting are required, and it has high water resistance and fast drying receptive coating for faster production times. PG-910 is durable for up to 1 year indoors and 6 months outdoors. This product can be used in aqueous (pigment and dye-based) wide format digital printing. Common applications for PG-910 include: print and cut systems, decals, mounted board signage, and A-frame boards.

Product Number	#910
Film	
Film Type	White Calendered Vinyl
Finish	Matte
Film Thickness (mils)	6.0
Film Stock Weight (gsm)	175
Gloss (60°)	3
Opacity (%)	95
Brightness	105 (ISO Blue Whiteness)
Whiteness	148 (CIE Ganz)
Adhesive	
Adhesive Type	Permanent Acrylic
Adhesive Color	Clear
Liner	
Liner Weight (gsm)	155
Liner Type	Double-sided PE Coated Wood Pulp Paper
Liner Thickness (mils)	6.0

Environment	
Outdoor Durability	Up to 6 months
Removability	Permanent Adhesive: when removing this product/industrial strength grade adhesive-removing chemicals may be required.
Applications	
✓ POP/Retail	✓ Decals
✓ Outdoor (Short Term) & Indoor (Long Term)	✓ Mounted Board Signage & A-Frame Boards
