

Technical Data Sheet:

#PG-700

White Wedding/Dance Floor Vinyl with Removable Adhesive

PG-700 is a white wedding floor vinyl with removable adhesive. PG-700 has several options available for both thickness and finish including either matte or gloss for finish type and either 3mil or 6mil for thickness. This product can be used in solvent, latex, and UV-curable wide format digital printing. While the most common application for our PG-700 is as a wedding or event vinyl temporary flooring (also sometimes referred to as party or dance vinyl), PG-700 can also be used in: temporary interior or exterior signage, window displays, point-of-purchase (POP) displays, and other temporary indoor or outdoor signage.
