

Technical Data Sheet: #PG-991

4.3mil High Gloss Reflective Calendered Vinyl Film with Permanent Adhesive

PG-991 is a 4.3 mil high gloss reflective calendered vinyl film with clear permanent adhesive and a 90# layflat liner. PG-991 can be used in solvent, latex, and UV-curable wide format digital printing. Common applications for PG-991 include: various reflective signs, caution signs, car stickers, POP/retail signage, and other general signage. Please note that color options for PG-991 include: white, black, yellow, red, blue, green, gold, dark red, light blue, and orange. Additionally, please understand that this product is what is sometimes referred to as engineering grade reflective vinyl, which is not Department of Transportation (DOT) certified.
